Salamina Rockwell Kent

First published in 1935, *Salamina* details artist and adventurer Rockwell Kent's second trip to Greenland. *Salamina* unfolds as a series of vivid vignettes, each illustrated with Kent's bold black and white drawings. Through his accounts of fishing trips and Christmas festivities, shared meals and budding friendships, Kent acquaints us with the Eskimo and Danish inhabitants of the small vibrant community of Igdlorssuit. Both the native people and the forbidding Arctic landscape held a special beauty for Kent, and he describes them with an artist's eye. *Salamina* is Kent's Eskimo housekeeper (kifak), who becomes a central figure in the book when she and her daughter come to share Kent's small hut for the year. Kent's wry self-reflection and his poetic meditations on nature, humanity and love make this an enduring classic of travel literature and artistic quest. This Wesleyan edition includes a foreword by art historian Scott R. Ferris that highlights the cultural importance of the text and illustrations and shows that for Kent, inspiration comes from life.
