This is a BWWM novel with NO cliffhanger, NO cheating and a HEA.

A forbidden longing ...

Madison Browne loves her job as an obstetrics nurse, and longs for a family of her own. When wealthy couple Christopher and Ailsa Knight check into her maternity ward, Madison is shaken by the depth of her attraction to Christopher--an attraction that is clearly mutual.

A hidden love ...

She never dates married men. Ever. But then Christopher shares his **deepest secret** ... one that changes everything. Madison follows her heart--and soon learns that her deepest desire is going to become reality.

A wrenching choice ...

When the press discovers their relationship, Christopher must choose between riches and ruin. Can he give up everything to be with Madison? And if he doesn't, can she live as a single mother with a broken heart?
